2017 National Security Objectives and World Events Integration Calendar

As many of the important events/summits/meetings for 2017 are beginning to be scheduled, this 'calendar approach' is illustrative on how to integrate administration themes and goals for foreign policy and national security objectives with world events for 2017 by utilizing the President's time more efficiently. Below, in the left hand column, you can see administration major themes while the calendar to the right of it lays out already scheduled correlating events along with intelligence directive requirements and policy implementation timetables to make the President's vision a reality.

Themes	January	February	March	April	May	June Trip to Europe	July	August	September	October	November Trip to Asia	December
